Let the team at **Holiday Factory** together with our carefully selected hotels plan your special day.

Whether you're planning a wedding on the beach or joining us as newlyweds to renew your vows, we'll make sure your marriage starts with a touch of magic.

Getting married in Mauritius

There are two options for an island wedding: we can either arrange a legal wedding which includes all the formalities or a renewal of your wedding vows.

Legal wedding:

The first thing to do is decide on the hotel of your choice.

Once your travel arrangements are confirmed we will be able to set a date with the hotel for the actual wedding to take place. The majority of hotels in Mauritius offer classic wedding packages (some hotels offer this free of charge whilst others charge a fee) which include the services of the dedicated hotel wedding coordinator, location of your wedding ceremony and cake. This is usually a starting point for your magical day – the dedicated wedding coordinator at each resort will take care of all the other finer details such as:

- Hair, makeup and spa treatments
- Bridal Bouquet
- Flowers for the bridal party
- Flower arrangements
- Decorated wedding venue
- Special wedding dinner/reception, tiered wedding cake and champagne
- Musical entertainment

The planning of your wedding and the cost for additional services (as set out above) will be communicated to you directly by the hotel wedding co-ordinator, making sure all you have to do is look forward to is a stress free day of love and special memories.

Let us take care of all the legal formalities prior to your arrival in Mauritius. All you have to do is submit all your documentation (passport copies, birth certificates etc.) via our office, to the Mauritian authorities at least 6 weeks in advance.

Mauritian law stipulates that a couple have to arrive in Mauritius at least three days prior to the wedding. On arrival in Mauritius (the day/time will be confirmed to you prior to departure) you will visit the magistrates court in Port Louis to complete formalities (transportation and costs for administration is included). On the day of your wedding a civil servant will conduct the ceremony at the resort. If you are travelling alone, hotel management will be happy to stand in as witness to your special day.

Mauritian marriages are legally accepted in South Africa but please make sure you arrange your prenuptial agreement before leaving home.

Renewal of Vows:

This procedure is the same as the legal wedding without the bridal couple having to visit the magistrate court in Port Louis – the cost is lower than a legal wedding. The actual wedding would take place in SA at either the magistrate's office or in a place of worship. The renewal of vows will still take place at the resort conducted by a civil servant.

Weddings and Renewal of Vows can be conducted week days Mon – Fri excluding public holidays.
